In Memory of the Dead and Injured in Manchester

God of compassion, you are at the side of all who undergo the cruelty of human violence.

We entrust to you the victims of the terror attack in Manchester and their families.

Deeply disturbed by the incomprehensible sufferings of the innocent across the world, we believe that the words of Jesus, Your Son, words of love, mercy and hope, will never pass away.

So we implore you: send consolation and healing, grant us your peace, may your kingdom come.

Through Christ our Lord.Amen

Warmth and Wellbeing Pilot Scheme: Energy Efficiency and Affordability Division at the Department of Communications, Climate Action and Environment are currently running a pilot scheme in a number of areas in Dublin. The scheme provides free upgrades to the homes of people who are in receipt of the Fuel Allowance or the One Parent Family payment, who are also living with chronic respiratory conditions. The scheme aims to see whether improving the warmth and indoor air quality of homes can positively impact on respiratory conditions as well as improving mobility around the home and improving wellbeing in general. The scheme is available to people aged 55 and over or 12 and under who meet these conditions.
