Readings – Sun. 30th Sept: *The First Reading* – Moses

shows us that one sign of an authentic prophet is the desire that all people be filled with God's Spirit. *The Second Reading* – The rich are condemned, not because they have more than they need, but because they have turned a blind eye to those who have less than they need. *The Gospel* – Like Moses, there is no jealousy partisanship in Jesus: he wants everyone to do God's work; he wants all his disciples to shine with God's light.
