Rev. Prof. Michael A Conway is professor of Faith and Culture at St Patrick's College, Maynooth. He will be providing input and facilitating discussion on this very interesting and challenging Ministry Day.

Archbishop Martin has asked us to come together as a Community and gather as wide a variety of ideas as possible so as to begin a realistic agenda for renewal of the Church in the years to come. He suggested that Parishioners should be to discern what the process and agenda for change should look like.

During our morning we will gain insight, discuss ideas, pose questions and get involved in this very important journey of renewal in the church.

All are welcome to attend as this discussion needs  
everyone's perspective.
